1. Introduction

1.1 The Local Governing Committee of The Fulbridge Academy applies the regulations on admissions fairly and equally to all those who wish to attend this school. The School Standards and Framework Act 1998 introduced a new framework for school admission as of September 2000. This policy conforms to the regulations that are set out in that Act and also further explained in the statutory School Admissions Code and the statutory admissions appeals Code. The Fulbridge Academy is traditionally oversubscribed, therefore early dialogue is essential to ensure the best possibility of gaining a place within the school.

2. Aims and objectives

2.1 We are an inclusive school that welcomes children from all backgrounds and abilities.

2.2 All applications will be treated equally and in a sensitive manner.

2.3 The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we enforce the procedure set out below in order to determine whether a child is offered a place or not. It is our wish to allow parents the right to have a place at the school of their choice. However, this is not always possible, due to the excess demand on the school places available.

2.4 The level of ability of a child or any special needs (apart from Education Health and Care plans) that they may have plays no part in the admissions policy of this school.

3. How parents can apply for their child to be admitted to our school

3.1 As our school is an Academy, we have the flexibility in setting bespoke admission arrangements. In reviewing best practice, we have decided to harmonise our admission arrangements in agreement with the Local Authority arrangements. The Academy however remains the ‘Admissions Authority’. The policy and over subscription criteria for entry to each school are published each year by the Local Authority. Parents can receive a copy of the policy and over subscription criteria directly from the Local Authority.

3.2 The Local Authority publishes a composite admissions prospectus each year, which gives information about how parents can apply for a place in the school of their choice.

Parents have a right to express a preference for the school of their choice and they should do so on the application form. Expressing a preference does not, in itself, guarantee a place at this school. Applications must be submitted online on the Local Authority admissions website. The closing date for all Reception intake application is 15 January, we strongly advise that you do not delay your application in case of technical problems. National Offers day is 16 April, parents that applied online can log on to the council’s website from 12.30am to see which school their child has been offered. Letters will also be posted out on this day, no decision will be issued by phone.

3.3 In this area, children enter school in the academic year in which they become five (5). There is one admissions date per year, which is early in September (i.e. at the start of the school year). Therefore, parents who would like their child to be admitted to this school during the year their child is five (5) should ensure that they complete the necessary application form by the date set by the Academy each year, which will be the same as the date set by the Local Authority. Please see section seven (7) below for information about deferring and delaying your child’s start to school.

3.4 If your child is attending a pre-school, a nursery school or nursery class, this will not be taken into account when admission allocations are made. Attendance at any nursery class or pre-school on a school site does not result in any priority for admission to that school. Parents/carers whose children are attending nursery classes attached to primary schools must still apply for a place in Reception.
3.5 Admission to the school for all other year groups (excluding new Reception intake) and in-year admissions are done by the Academy. Applications can be made by visiting the Academy to complete an application form. Full details of this can be found on the Fulbridge Academy website in the admissions section. https://www.fulbridgeacademy.co.uk/our-academy/admissions Any offer from the Fulbridge Academy will be open for one (1) week after this date it will be offered to the next person on the waiting list, unless advised of an exceptional circumstance.

The council operates fair access protocol for those children whose applications cannot be dealt with as part of the normal admissions process. The purpose of Fair Access Protocols is to ensure that outside the normal admissions round - unplaced children, especially the most vulnerable, are found and offered a place quickly, so that the amount of time any child is out of school is kept to a minimum. (will add the PCC link to FAP when it has been updated by the LA)

4. Admission appeals

4.1 If we do not offer a child a place at this school, it is because to do so would prejudice the education of other children by allowing the numbers of children in the school to increase too much.

4.2 If you are not satisfied with the outcome of your school place allocation, you have the right to appeal to an Independent Appeal Panel. If you want to appeal for a place at more than one school you will need to appeal separately for each. You can only appeal for a place at a school if you have applied and been refused a place. An appeal is a legal procedure, so there has to be a degree of formality to make sure everyone can put their case without interruption. Everyone involved is aware of how daunting it can be for parents and will try to make you feel as relaxed as possible. (Details of appeal arrangements can be found on the School Admissions Appeals section on the Peterborough City Council website). An appeals panel decision is binding for all parties concerned.

5. PAN

5.1 PAN is the number of children that the school can accommodate. The standard number for our school is one hundred and twenty (120) pupils in each year group from Reception to Year 6. We keep this number under review and the Governors will apply to change the number if circumstances allow.

6. Infant class size

6.1 We teach infant children (aged four (4) to seven (7)) in classes that have a maximum number of thirty (30) children. Additional children may be admitted under exceptional circumstances. These children will remain an “expected pupil” for the time that they are in an infant class or until the class numbers fall back to the current infant class size.

7. Deferring and Delaying admission.

7.1 Delayed admissions

If you choose to delay admission to later in the academic year, you must discuss it with your allocated school when you accept the school place. Where a place is deferred, it cannot be given to another child but you must enter school by the beginning of the school term following their fifth (5th) birthday and within the school year for which the offer was made.

7.2 Deferring admissions

If your child is “summer born” and you prefer to defer admission to the following September, your child would normally be considered for admission into Year 1 rather than the Reception year. In exceptional circumstances, summer born children may be admitted to school in a different year.
9. Review

9.1 This policy will be reviewed annually with the Local Authority’s Admission arrangements in light of any changed circumstances in our school or the local area.

10. Admission and Oversubscription Criteria

The Governors will admit children with a statement of special educational needs or an education health and care plan which names the academy. This will be in addition to any specific arrangements to specialist provision. Such criteria includes, but is not limited to:

i. Children in Care;

ii. Children who are both living in the catchment area served by the academy (see Peterborough City Council website for an address list) and have a sibling;

iii. Children of members of staff providing that they have been employed for a minimum of two (2) years;

iv. Other children living in the catchment area at the time of application.

v. Children who do not live in the catchment area served by the academy, but who have a sibling of compulsory school age attending the school;

vi. Other children whose parents have requested a place (NB: measurements for this will be done from the Academy to the home address). Measurements are done using the tool Google Maps by measuring a straight line from the Academy to the home address of the applicant by the school.

1. Children In Care
   a) A looked after child is a child who is in the care of a local authority in England, or is being provided with accommodation by a local authority in England in the exercise of their social services functions.

   b) A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organization or any other provider of care whose sole purpose is to benefit society.

2. Siblings
   Are defined as children aged between 4 and 16, living together in the same family unit, who have a sibling on the roll of the school at the time of application and admission to the school. Sibling includes: brother or sister, half-brother or sister, adopted brother or sister, child of the parent/carer or their partner, children looked after, or previously looked after. This doesn’t include children temporarily living in the same family unit - for example a looked after child in short-term, or interim, foster placement. In every case, the sibling must be living permanently in the same family home (at least Monday to Friday) and must be on the roll of the school, or have been offered and accepted a place at the school at the time of application and when the child starts. Every effort will be made to ensure that twins and those from multiple births can be admitted together.

3. The home address is the address of the parent with whom the child normally lives from Monday to Friday. When parents live separately, the application must be based on the address at which the child usually lives. When parents live separately but the child lives with both parents at different addresses, the child’s home address will be taken to be the address where the child lives for most of the week. If the child spends an equal amount of time with each parent, the address will be taken to be that of the main parent / carer eligible to receive Child Benefit and Child Tax Credit. As part of the admissions process you may be asked to provide proof of address. To ensure that offers of school places are made fairly, the Academy is committed to following strict address verification procedures. In cases of flats the priority is that of floor level i.e. ground, first, second etc., in that order. In cases of exactly the same measurement where no differentiation can be established, a lottery will be used to decide the allocation of a place.
11. Late Applications

For late applications, the Local Authority will offer places in the same order of priority as above once all the ‘on time’ requests have been considered.

We will follow the Local Authority’s coordinated scheme with regard to the closing date for the receipt of the admission form.

Unsuccessful applicants have the right to appeal and can find details of the Appeals procedure on the Peterborough City Council website in the School Admissions Appeals section.

12. Waiting Lists  (from September 2017 the Academy deals with its own in-year admissions)

All parents who are refused a place at the school at any time may wish to place their child’s name on a waiting list (NB: This does not affect your right of appeal). Pupils will be placed on the waiting list in strict order according to the oversubscription criteria on the Admissions Policy. If a place became available at the Academy, places will be allocated according to criteria. Time on the waiting list is not part of the criteria and has no bearing on allocation of places. Parents must contact the Academy and request that their child’s name is placed on the waiting list. Details of the in-year process can be found on the Fulbridge Academy website.

The Academy will write to everyone on the waiting list in the summer term. If no response is received then, they will automatically be removed from the list. If they wish to go back on the list, then they must reapply to the Academy.

The Reception intake waiting list is held by the Local Authority until the start of the Autumn term, at which point the Academy will write to everyone on the list to ask if they want to transfer onto the Academy in-year waiting list.

In-year admissions are identified using the tool Google Maps by measuring a straight line from the Academy to the home address of the applicant.
