Dear Mr Warren

I am writing to you with regard to your recent petition: Save Bretton Water Park which was handed in at the recent Peterborough City Council Cabinet meeting on 26 February 2018. Under the [Peterborough City Council Petitions Scheme](#) section 4.5 we reserve the right to verify signatories. We have now gone through the process of verifying the signatories and can confirm that there are 245 valid signatures. Your petition will now be referred to the relevant service area for a response and you will be contacted again within 15 days.

Please note that we have also received two online e-petitions for the same matter and in accordance with the petitions scheme section 4.7 ***Any petition that is a duplicate or near duplicate of another petition that the Council has already received will not normally be considered within a 12 month period although officers will exercise their discretion in individual cases.*** We will therefore contact the organisers of both e petitions and ask them if they wish to close their e petitions now and add their signatories to your paper petition or continue with their e petition and have it rejected in accordance with 4.7 of the petitions scheme.

Yours sincerely
