Dear

Re: Petition – Regarding Anti-Social Behaviour around the shops at Central Avenue, Dogsthorpe

Thank you for your recent petition regarding anti-social behaviour around the shops at Central Avenue.

We have previously been made aware of concerns at this location, and in August 2018 a site meeting took place with lead council officers, shop owners, residents and ward councillors Dennis Jones and Bella Saltmarsh to discuss similar issues to those raised in your petition.

This led to the identification of a number of actions, which we have been working through with relevant departments to overcome. Examples include; increased parking patrols, working with the Police to request support for ASB / Drug activity, refocusing CCTV cameras to build evidence and monitor activity, working with Cross Key Homes to implement crime reduction solutions around the shops etc. Since our intervention, local councillors have continued to visit the area and have reported a decrease in anti-social behaviour in the area and calls for service are reduced.

I am confident that recent actions are making a difference, however I note this petition raises ongoing concerns so if you would like to discuss in more detail or arrange a further meeting / site visit please contact me on the above details.

Yours sincerely
