I certify on behalf of Peterborough City Council that the proposed fees payable under Peterborough City Council Permit Scheme have been calculated in accordance with the Department for Transport Statutory Guidance for Highway Authority permit Schemes, dated October 2015 ("the guidance"). To the best of my knowledge and belief, the permit scheme is compliant with the guidance and with regulations 29 and 32 of the regulations and the income from the proposed fees will not exceed the prescribed costs of operating the scheme.

Peterborough City Council undertakes to identify and evaluate the sums paid by way of fees and prescribes costs of operating the scheme. The evaluation shall take place within 12 months of the coming into force date of the permit scheme and thereafter on an annual basis. Following each evaluation, if fee income has exceeded the prescribed costs, Peterborough City Council undertakes to make the necessary adjustments to fee levels for the subsequent year to comply with the regulations.
